Skills Generation has been delivering high quality training since our establishment in 2014. Strong relationships and responsiveness to the evolving needs of individuals, schools, employers, job seekers and the broader labour market are central to our organisation's philosophy and motivation.

We offer a wide range of training programs with face-to-face, online and blended delivery options to meet each student's needs. As an approved Skills Assure Supplier under the Queensland Department of Trade, Employment and Training (DTET) we offer access to Certificate 3 Guarantee, VETIS and Higher Level Skills funding for eligible students. Our courses are offered either as government funded for eligible students or on a fee-for-service basis.

Skills Generation has a specialised program for Schools that delivers training in a range of disciplines, via accessible and innovative training models, providing students with a pathway to further study and entry to the workforce in a variety of industry areas.
